Talent Needed For Centennial Entertainment

There is to be entertainment for all people who are waiting to go through the Centennial Caravan on May 23rd. An open air stage will be set up and a search is being made at present for local people to present their talents for the enjoyment of all the thousands of people who are expected to attend.

This is not just a Vulcan project but one that can and should be undertaken by the whole county. If you have talent and would be willing to participate or if you can suggest someone please help us out by doing so. A County Centennial Choir is to be formed and singers both male and female are needed. Practices will commence in the near future.

If you would like to sing in the Centennial Choir or have information regarding possible talent please contact Allan McAskile or Al Dakin of Vulcan or Mrs. Barbara Hwosdecki, entertainment coordinator, box 100, Carmangay, phone 643-3530.

SOUND ADVICE

There's only a slight difference between keeping your chin up and sticking your neck out, but it's worth knowing.

No Deficit Last Year

\$2,000 Donation Was Big Boost to Swimming Pool

A \$2,000 donation by Mr. and Mrs. E. R. Finckh to the Lions Memorial Swimming Pool last year resulted in the swimming pool, for the first time in its history, ending the season with a surplus rather than a deficit.

Operated as a community service project by the Vulcan Lions Club, the pool each year provides recreation for hundreds of children and adults and swimming instruction at all levels in organized classes is given by qualified instructors. Admission fees, both for recreational swimming and swimming instruction, are purposely kept low so that no one will be deprived of the opportunity of using the pool or learning to swim, and this policy results in an annual deficit of \$1,500 to \$2,000. Lions Club projects such as the annual turkey shoot and the sale of birthday calendars provide the funds each year to operate the pool and meet the expected annual deficit.

In 1966, pool admissions showed a considerable increase over the previous year. Without the generous donation by Mr. and Mrs. Finckh, the 1966 deficit would have been about \$1,200, but the extra \$2,000 received resulted in a surplus of receipts over expenses of about \$800 which can be used for pool improvements or to offset next season's expected deficit.

The pool's financial statement for 1966 shows receipts of \$3,577.48

Allan McAskile President

'67 Officers Named As Chamber Meets

Businessman Allan McAskile was elected president of the Vulcan District Chamber of Commerce at the annual meeting and luncheon held at noon, Tuesday, Feb. 7, in conjunction with the one-day agricultural short course at the Lodge Hall. About 125 persons attended.

Other officers elected were Richard Hammer, 1st vice-president; Ron Jordan, 2nd vice-president; Bernice Buehler, secretary-treasurer. Directors and committee chairmen are: Earl Erickson and Pat Roe, membership; Wally Taylor, finance; Pat Walker, agriculture; David Mitchell, roads and highways; Peter Pickersgill, publicity; T. G. Brown and C. S. McAskile, development; Al Dakin, retail merchants.

Mr. McAskile was installed as president for 1967 by Mayor G. C. Ness.

Outgoing president Ken Houlton acted as chairman of the meeting and head table guests were introduced by District Agriculturist Blair Shaw.

A presentation of a silver tray to Miss Marion Sissons, who will

soon retire as Director of Nursing of the Vulcan Municipal Hospital, was made on behalf of the Chamber of Commerce by M. R. Morrison, former mayor of Vulcan and former town member of the hospital board. He paid tribute to Miss Sissons for her interest in community affairs, in her church and in such organizations as the Scouts and Guides. Her 23 years in Vulcan have been years of dedicated service said Mr. Morrison, and her guidance and advice will be missed by many. In reply, Miss Sissons said she was pleased that Mr. Morrison had been chosen to make the presentation and thanked the nurses, hospital staff and town organizations for their help over the years.

Commercial printing awards won by The Vulcan Advocate in Alberta Weekly Newspapers competitions last year were presented to Advocate publisher R. C. R. Munro by Mayor G. C. Ness. The awards were for first prize in two-color letterpress printing and second prize in one-color letterpress.

A framed certificate in recognition of his valuable assistance in furthering the work of the St. John Ambulance Brigade was presented to Fire Chief Bob Johnston by Divisional Officer Frank Brook. Secretary David Mitchell's report showed that the Vulcan C of C ended the year in good financial shape, with a bank balance of \$442.

A report of the past year's activities of the Chamber of Commerce was given by Ken Houlton. Goodwill Day, in June, was successful beyond all expectations, he said, with about 500 present for brunch and 1,000 served at the evening barbecue. All expenses were borne by the business people of Vulcan. The C of C entered a float in Lomond's 50th Anniversary parade and dispensed free ice cream and soft drinks at Lomond on that day. A "meet the teachers" evening was held for the first time and proved successful. Other activities included sponsoring of the 4-H public speaking contest, co-sponsoring of the annual agricultural short course and participation in the annual Kiddies' Day before Christmas.

Propose Joint Recreation Prog. Town and County

A bylaw to establish a recreation area in the Vulcan district and to authorize an agreement between the County of Vulcan and the Town of Vulcan for joint recreation programs and a joint recreation board has been given two readings by the County Council.

Recruiting Of Teachers Will Be Difficult Task

Illness continues to affect the county teaching staff. A Johnson has been transferred to classes formerly taught by H. Rempel who is presently on sick leave. Miss L. Riva-Cambrin of Lethbridge has joined the staff at County Central as a replacement for Mr. Johnson. Superintendent Bardock has been unable to obtain a replacement teacher for the Carmangay School but succeeded in obtaining six other replacement teachers during the month of January.

Indications are that recruitment of teachers for the 1967-68 term will be even more difficult than last year. Some school jurisdictions are offering \$400-\$500 as a retroactive bursary to any university student who will sign a contract and are offering a further \$400-\$500 increase in salary for students in specialized areas such as shop, guidance and business education. Other difficulties are the attractiveness of living in the cities and their superior salary schedules. The current Calgary schedule offers \$9,900 to the degree teacher with 11 years of experience while the current schedule here offers only \$8,800 after 12 years.

To date eight resignations from staff, effective June 30, have been received.

Covered Rink Is Gleichen's Centennial Project

At a public meeting held on January 26 at the Gleichen school, residents of Gleichen and district voted in favour of trying to raise the necessary funds to construct a covered skating rink.

The following committee was elected: Vern Hoff, president; Gordon Hall, vice-president; Howard Warner, secretary; Bob Thomas, treasurer; board of directors: Cam Evans, Bob Burne, Glen Yule, Eric Rissieuw, Phil Gooch, Harvey Bogstie, Ken Graff, Bob Wilson, Matt Murray, Harvey Sauve, Pete Brown (Arrowwood) and Percy Yellowfly (Blackfoot Council).

The board decided to begin a canvass of the town and district on Feb. 13 with an objective of \$23,000. Should the objective be reached the board thought a good location would be near the present school grounds so country children would have the opportunity of skating during the school day lunch hour.

The support of every citizen of Gleichen and district is necessary in order to make this centennial project a success. When the canvasser calls, be generous with your support of this worthwhile project.

Lethbridge Show Will Feature S. Alta. Paintings

As a centennial project, the Lethbridge Sketch Club is sponsoring the Lethbridge Centennial Art Show from March 20 to April 19.

Three purchasing awards of \$500, \$300 and \$200 are offered as first, second and third prizes for the three best paintings submitted for judging in the show. These winning paintings will become the property of the Lethbridge City Council. Various smaller awards, prizes and scholarships will also be given.

Entrants must be residents of Southern Alberta (i.e. from High River south) and must be members of the Lethbridge Sketch Club or members or associate members of one of its affiliated art clubs.

Any number of paintings may be

This evening marked the first attempt of the local sports group at a night devoted entirely to this facet of fish and game and reduced agenda gave more time for leisurely discussion and enjoyment of films without running into a long evening. From the left, back row are: Gib Honess, antelope;

Roger Jensen, big horn sheep; Allan Gehrke, duck; Ron Jordan, elk; Richard McNiven, white tailed deer; Carl Nelson, stream trout. Front row: Ken Reid, goose; E. K. Brown, mule deer; Gordon Bell, lake trout; Cleo Schmidt, pheasant (tie with Peter Degenstein); Alvin Godkin, pike.

County Meetings Held

Semester System Under Study

Improvement of Grounds At Schools Considered

SCHOOL COMMITTEE MEETING

At the regular January meeting of the School Committee of the County of Vulcan No. 2, a proposal made by A. L. Husby, principal of the County Central High School, and D. Philpot for the improvement and better design of the school grounds at CCHS for athletic purposes was considered by the committee. The members studied the plan which had been submitted and agreed that some improvements should be made. A committee consisting of Ray Wellman (chairman), Earl Erickson, J. J. O'Reilly, A. L. Husby and Don Jantzie was appointed to study the situation and bring in a report for consideration.

It was suggested that the grounds of all schools in the county should be inspected and improvements made where advisable in order to make the grounds more attractive and more useful.

The members of the committee held a discussion in respect to the county's policy in permitting Indian children to attend county schools. It was noted that a policy had been adopted that the county should maintain a ratio of one Indian student to two non-Indian students attending any school. It was pointed out that this ratio of students might be varied in the case of the Arrowwood School to permit enough pupils from the Indian Reserve to make it possible to engage one teacher per grade in this school. This could be done by the addition of a few Indian students. It was moved and carried the committee authorize the superintendent to arrange for a number of extra Indian students at Arrowwood to permit the upgrading of the classes to provide one teacher per grade.

It was moved and carried that the committee authorize the acceptance of a number of Indian pupils in the lower grades at Milo, if application is made by the Indian Affairs Branch.

It was moved and carried that D. A. Hanson be returned to the staff on a half-time teaching and half-time pay basis.

It was moved and carried that authorization be given to appoint Mrs. Bonnie Szekeley and B. Szekeley to the county teaching

staff commencing with the 1967-68 school term.

Mr. Bardock reported to the committee that conferences for school counsellors were being held on Friday and Saturday, Jan. 20 and 21, suggested that Mr. Beggs and Mr. Husby be authorized to attend on behalf of the county. It was moved and carried that authorization be given and that the county would pay ordinary expenses.

Mr. Bardock discussed with the members of the committee the

matter of instituting a semester system at the County Central High School in the near future, and suggested that the committee authorize the attendance of himself and Mr. Husby at the Medicine Hat school in order that they might view at first hand the manner in which the semester system is working in that area. It was moved and carried that the committee endorse a continued study of the semester system and that Mr. Bardock and Mr. Husby be authorized

Amendment To Act

New Regulation Governs Lomond Recreation Vote

A recent amendment to the provincial government Acts governing villages, towns, cities, municipal districts and counties affects voting on bylaws requiring a vote of the proprietary electors, to the extent that a straight two-thirds majority is no longer required, under certain conditions, for approval of such bylaws.

A ratepayer or proprietary elector is one whose name is on the tax roll as being the purchaser, or the owner where there is no purchaser of a piece of property.

The voters' list is compiled of names of proprietary electors, both resident and non-resident, but no provision is made for absentee ratepayers to vote by proxy except in the case of corporations which are on the voters' list and which may authorize their manager to vote if he is not already entitled to a vote. (Note: An individual absentee land-owner cannot authorize the renter of his land to vote on his behalf).

Under the new regulations, if the number of ratepayers who cast votes totals 50% or more of those entitled to vote, a majority of not less than 50% plus one of the votes cast is required to approve the bylaw.

If the number of ratepayers who cast votes is less than 50% of those entitled to vote, a majority of not less than two-thirds (66%) of the votes cast is required to

approve the bylaw. The forthcoming vote at Lomond on the Recreation Bylaw comes under this category. The bylaw calls for the establishment of a recreational area in Electoral Division 6 of the County of Vulcan and the authorizing of an agreement between the County of Vulcan and the Village of Lomond for joint recreation programs and a joint recreation board.

The voting will take place on Saturday, Feb. 18, from 9:00 a.m. to 5:00 p.m. at the Lomond Community Centre. Raymond Elliott is returning officer and William Brown is deputy returning officer.

AARN To Assist On Caravan Days

The Vulcan Chapter of the AARN opened the season with sixteen members present.

Shirley Walker gave a report of the Centennial meeting she attended. It was decided to assist the St. John's Ambulance on May 22 and 23, when the Centennial Caravan visits Vulcan.

Dr. John Lakins gave a most informative talk on shock, after which a delicious lunch was served by Audrey Warren, Ruby Jamison and Lorle Horne.

Badger Lake Honors Couple On 50th Anniversary

The Badger Lake Community was pleased to honor Mr. and Mrs. Elmer Hamm on the occasion of their 50th wedding anniversary. Mr. and Mrs. Hamm were married in Medicine Hat, Alberta on Jan. 2, 1917, and have lived in this community ever since.

Open house was held in the Badger Lake Community Centre from 2 to 5 p.m., on Jan. 2, 1967 and during that time some 70 friends and neighbors called. In attendance from Lethbridge were a niece of Mrs. Hamm, Miss Verbaan; another niece and her husband, Mr. and Mrs. Morrison, as well as an old time friend and neighbor Mrs. Jenny MacIndoe.

Mrs. Florence Hart presented the honored couple with a gift from the community, a copper tea service and a matching tray on which was engraved their names and the dates 1917-1967. Mrs. Hart also read many cards of greetings from well-wishers, amongst which were those accompanying the two-tiered wedding cake provided by Mr. and Mrs. Lloyd Deitrich, and a bouquet of flowers from Mr. and Mrs. Henry Crawford.

Congratulatory messages were

received from Prime Minister Pearson, Opposition Leader Diefenbaker, Lieutenant-Governor Mac-

Ewan, Premier Manning, Dr. Lawrence Kindt M.P., and Ray Speaker, M.L.A.

Present Awards at Milo AGT Teleshow

The AGT "Teleshow" was presented to a full house in the Milo Community Hall on Jan. 31. Direct distance dialing was effective at Milo on Feb. 5.

R. O. Bertrand, Mayor of Milo opened the meeting by giving a most interesting account of the history of telephones in Milo and district from the early days to the present.

Lawrence Monner was presented

with a watch in appreciation of his service to the Milo Mutual Telephone Company as secretary, trouble shooter and president, a period of 23 years. Lorna Beechman, telephone agent, received a four-piece set of luggage from the Milo Mutual Telephone Company subscribers, and a gold wrist watch and a bouquet of flowers from the people of the village of Milo. The AGT presented Mrs. Beechman

with a "Communication Service Award" in recognition of a total of 38 years of combined service to the community of Milo, by her late husband Evan Beechman and herself. This award was accompanied by a generous cheque from the AGT.

Demonstrations of telephone techniques were given by representatives of the AGT from Rural Traffic, and Public Relations

Departments. Four lucky door prize winners of free DDD calls were George Elder, Alice Bartsch, Barry Robertson, and Vic Rushfeldt.

Valuable antique telephone sets and some of the most modern sets available were displayed.

Free coffee and doughnuts supplied by the AGT and served by the Milo UCW were served at the close of a successful Teleshow.

CHAMPION

On Sunday, Jan. 29 supper guests at the home of Mr. and Mrs. L. Shmeelke were Mr. and Mrs. J. Shmeelke, Mr. and Mrs. J. Y. Ferguson of Calgary, and Mr. and Mrs. Tom Brothers and family of Vulcan. The supper was in honor of Mr. and Mrs. Brothers' departure for Hartney, Manitoba where Mr. Brothers will be employed by the CCIL company.

Thursday dinner guests at the home of Mr. and Mrs. Leigh Schmeelke were Mr. and Mrs. G. M. Olds and Doreen of Calgary, Mrs. M. C. Purnell and Denise of Airdrie, Mr. and Mrs. Dorn Ruggles, Mrs. Ken Ruggles and Mrs. Martin Matlock.

Mr. and Mrs. Stan Howerton and family of Calgary spent Friday night at the home of Mrs. Don Clifford, while here they attended the Cleverville Pioneer Club dance.

Mrs. Winnifred Matlock of Calgary spent Friday night at the home of Mr. and Mrs. Martin Matlock, and was at the Old Timers dance.

Mrs. Dewilla Anderson of Calgary spent the weekend visiting with relatives in the district.

Grace and Grant Hummel were honored on their 11th birthday anniversary on Jan. 31. Thirty of their class mates met at the Hummel home. Skating and games were enjoyed by all, after which all enjoyed a lovely lunch, centered with three birthday cakes, one for Grace, one for Grant and one for Alan Pasoli who also was celebrating his 11th birthday.

Mr. and Mrs. Fred Clever of Calgary spent the weekend at the home of their son-in-law and daughter Mr. and Mrs. D. W. Causey.

A Gospel team from the Mountain View Bible College Didsbury, were the guests of the Champion Evangelical Free Church Young Peoples over the weekend. This fine group of seven young people, Don and Carol Neufeld, Marilyn Steeves and Sharon Steeves from Alberta and Betty Irwin, Martin Baker and Don Bacon from Washington, USA, ministered in word and song and all who attended the meetings received great blessings from their ministry.

CLEVERVILLE PIONEER CLUB
The annual Cleverville Pioneer Club program and dance was held on Friday, Feb. 3. This occasion brought old timers from many places, and was enjoyed by all attending. A very enjoyable program with various talents displayed was enjoyed.

A highlight of the program was the many four generations that are in this district. Mrs. Mary Carlson gave a very interesting reading on the Old Timers dance and program of 1967, and this will be remembered for a long time.

Then the business meeting was held, after which the floor was cleared and dancing began to the music of Les Hanley and his orchestra. The prize for the oldest lady present was won by Mrs. Volsey and the oldest gentleman present was Luke Ohlweiser. The prize waltz was won by Mr. and Mrs. Sam Beingsner. Judges for this were Mrs. G. Hummel, Theodore Holm and Gordon Urquhart.

FELICITY CLUB MEETING
The Felicity Club met at the home of Mrs. Elsie Krasman with ten members and three guests present.

The roll call proved quite interesting with everyone's ideas on what they will be doing for centennial year. The members decided to have a travelling basket for this next month's roll call. It was decided to have another curling party again this year.

We were entertained with a wonderful showing of pastel painting by Mrs. Dorothy Healy.

The meeting came to a close with a delicious lunch served by the hostess and assistants Mrs. Hazel Lundberg and Mrs. Evelyn Long.

I would like to ask anyone having news that they would like in the paper to please contact me, remember that there are a lot of older district residents who love to hear the news of Champion and look forward to this paper each week. I have been reprimanded recently about my news items, and although I try to do my best I will no longer report items that are not phoned to me by you my public. Thank you. Phone 73.

QUEENSTOWN

W.I. MEETING

Six members and one visitor attended the February meeting of the Queenstown W.I. at the home of Mrs. Tom Daw. Mrs. Jesse Lahd chaired the meeting in the absence of Mrs. Henry.

After some discussion it was decided that no delegates would go to the conference in Medicine Hat due to the icy roads. Business consisted of drawing up hostesses for the card parties and making plans to cater to a supper. Mrs. Tom Daw gave a report on Health and Home Economics, Artificial Sweeteners, after which some discussion took place.

After a very brief meeting lunch was served by the hostess.

THE CANADIAN COUNCIL OF CHRISTIAN & JEW

BROTHERHOOD WEEK, February 19-26.

THE HOMEMAKER

MISS FRANCES ANN CULLEN
District Home Economist

Box 480, Vulcan — Phone 485-2117

Dear Homemakers,

Here are Four Things A Woman Should Know:

How To:

1. Look like a girl
2. Act like a lady
3. Think like a man
4. Work like a dog.

GENERAL ADVICE ABOUT SHOWERS

1. Consult the guest of honor's mother about a convenient date and the guest list.

2. Try to avoid inviting people who have already attended other showers for the bride-to-be. Mothers of the bride and groom, other relatives, and attendants should be invited to be included at two or three of the showers. More than that may work a hardship.

3. Invite guests who might otherwise be left out of the pre-wedding festivities, such as a favorite teacher, members of a church group, or perhaps co-workers in a volunteer activity. However, a word of caution: Do not invite guests who know the bride only slightly.

4. Plan a different kind of shower than anyone else is having.

5. Discourage expensive individual gifts. If several guests wish to "go-together" they can make their own arrangements.

6. Note to invited guests: It's thoughtful to send a little remembrance if you cannot attend.

7. Find out the bride-to-be's preferences in color, period of furnishings, etc. Surprises are fun, but it does not compensate for disappointment in gifts that are unsuitable or a displeasing color.

After all, the bride-to-be must live with them a long time.

8. Don't plan a shower for a member of your immediate family.

9. If you're planning the only shower the bride is likely to have, make it a miscellaneous shower.

HOW TO CLEAN STAINLESS STEEL

There's no secret in keeping stainless steel surfaces bright and new looking under normal conditions. Light but frequent cleaning with a damp cloth, followed with a dry soft cloth does the trick. Diluted ammonia used infrequently helps to brighten the polish.

Here are some precautions you should take to care for your stainless steel surfaces:

(a) Don't let strong bleaches come in contact for longer than 30 minutes. After contact, be sure the stainless steel is rinsed thoroughly.

(b) Rinse your stainless steel thoroughly after contact with tincture of iodine, iron, or foods containing mustard, mayonnaise, lemon juice, vinegar or salad.

(c) Ordinarily, steel wool should

NEW FARM RECORD LEDGER

AVAILABLE NOW!

A farm record system specifically designed for grain-livestock farms of this area. Designed by a Chartered Accountant to quickly give all information necessary for income tax purposes and at the same time maintain an easily-kept yet clear and concise book-keeping record of your farm operations.

Puts all your farm records— receipts, expenses and schedule of changes in buildings, machinery and equipment — in one neat ledger. The hard-wearing, looseleaf binder will last a lifetime and the record sheets are printed on heavy ledger paper.

Refill sheets will always be available, because they are printed by and in stock at The Vulcan Advocate.

This farm record system is priced so low and will prove so convenient you can't really afford to be without it.

COMPLETE RECORD LEDGER 5.50

(Includes heavy, three-ring binder, complete instructions and enough record sheets for one year's average operation).

REFILL SHEETS 2 for .25

(Average year's supply of 10 "Expenses" sheets and 4 "Receipts" sheets costs only \$1.75).

MILO

Mr. and Mrs. Joe Thomson Jr., accompanied by Mr. and Mrs. Ian Wood of Lethbridge left last Sunday for Las Vegas and Phoenix and other USA points where they plan to spend about two weeks. Congratulations to Leroy Peterson and Marilyn Spooner of Saskatoon, Sask., on their recent engagement.

Deepest sympathy is extended to the Lewis Greaves family and relatives on the passing away of Lewis Greaves at Bassano on Tuesday.

The basketball game which was held Friday in the school auditorium, senior girls vs CFAC Good Guys was very well attended. Score ended 51-48 for the girls. Reports were they raised \$100 for the Milo Recreation.

The Junior High School held a local bonspiel at the weekend, with 12 rinks taking part. Winners were as follows: First in the first event was the Jim Thomson rink; second the Allan Gorzitz rink; first in the second event the

Robert Stumpf rink; second the Peter Beckner rink; third in the third event, the Randy Umschied rink and second the Gordon Vooys rink. The David Zaytsoff rink received the booby prize.

The men's open bonspiel starts Feb. 7 to 11. There are twenty rinks entered.

Mr. and Mrs. David Deitz and Laurie were Lethbridge visitors on Friday, and also visited at the home of the latter's parents.

Laurie Deitz entertained several of her little friends on Sunday to help her celebrate her fifth birthday.

Mr. and Mrs. Tom Beckner of Calgary have been in the district the past week. Mrs. Beckner has been helping at the Thomson's General store while Mr. and Mrs. Thomson are on holiday.

Mr. and Mrs. C. L. Beckner were Calgary visitors on Wednesday.

Friends of Mrs. Norman McCord extend a speedy recovery to her.

Roxanne Laing of Calgary spent a few days at the home of her grandmother Mrs. A. Stebbing.

Get well wishes are extended to Art Brown a patient at the Vulcan hospital.

Milo and district residents are now on dial system.

Friends of Doug Stumpf will be glad to know he is back playing hockey after suffering back injuries he received while playing the latter part of January.

Get well wishes are extended to Gregory Deitz, a victim of the measles.

The school children will enjoy a two day holiday on Thursday, Friday of this week when the

teachers will be attending the teachers convention.

HOCKEY NEWS

Gleichen Gunners played the Honda Hawks on Wednesday at Calgary and lost to the Hawks by a score of 5-2. Scoring for Gleichen were Wayne Jones and Brian Carlen.

The Milo Seniors motored to Lomond on Wednesday to play one of their league games and defeated Lomond by a score of 14-7.

The Gunners played the Calgary Chevys on Friday and were defeated by the Chevys in the last few minutes of the game by a score of 4-3. Scoring for the Gunners were Lloyd Gooch one and Brian Carlen two.

GRASSHOPPER FORECAST FOR 1967

The incidence of grasshopper damage in the Southern portion of the County of Vulcan is likely to be more severe than last year. This conclusion is based on information released by Dr. D. S. Smith, Entomologist at the Lethbridge Research Station. The major change is a threefold increase in area which will likely be "Moderately" affected by grasshoppers this next year.

Last year's late hatch was one of the reasons for this population increase. This enabled the young grasshoppers to avoid exposure to the long period of cool spring weather. The open fall provided ideal weather for egg-laying much later than usual. Farmers who had to spray their fall rye and winter wheat know what we mean about ideal weather for grasshoppers.

Moderate infestation is expected this year in the area between Stavely, Fort Macleod, Lethbridge and Carmangay. Light infestations will border this moderate area.

So if your land is in this area or relatively nearby, a close watch should be maintained this spring. Damage can be expected particularly in areas where there was fall damage in 1966.

ALL RISK CROP INSURANCE

Unless there is some last minute change, there will be no expansion of the area that is eligible to participate in the County of Vulcan. Generally, the part of the County which lies west of Lake McGregor is eligible for All Risk Crop Insurance. Spring wheat, oats and barley are insurable. The risks that are covered are drought, hail, frost, wildlife and five other perils. Generally this insurance covers all risks that farmers can't control.

If you insure under this plan there will be no PFAA levy on any of your grain deliveries during that crop year. The premiums will vary from one farm to the next because productive potential varies. If you have insured for a number of years without any claims, you are eligible for a discount. After six years for example, the discount is 25%. The more acres that you insure the larger the size discount becomes, up to 15%.

Rather than fill the paper completely with crop insurance information, I'll just say that applications must be made before April 30 for this year's crop. For more information contact your local Alberta Crop Insurance Corporation Agent.

4-H Club Notes

Vulcan West-Ensign 4-H Beef Club—

The Vulcan West-Ensign 4-H Beef Club held their regular monthly meeting on Feb. 4, at 9:30 a.m., in the Ensign Hall.

We appointed judges for our public speaking. Raymond Shaw gave a very interesting talk on terms used in judging livestock which was followed by Paul Shaw's talk on Roughages for Fattening.

Our club is having a pancake supper on Feb. 25th at 6:30 p.m. This will be followed by a slave auction. We hope there will be a very good turn out.

Lomond 4-H Beef Club—

A meeting of the Lomond Beef Club took place Jan. 14, at the home of Linda Maler.

The chairman, Marie Bolduc, called the roll call which was answered by giving the heart girth of your animal. Business included the rally in Lomond and public speaking. The public speaking contest will be held in Vulcan on March 10.

In the project section, Richard Stanka, gave a demonstration on, How to Measure the Heart Girth of a Calf. For recreation Ester Craine showed some film on trips and parades.

The evening was brought to a close with a lovely lunch served by Donnie Maler, Doug Bolduc, Alan Magella and Susan Thompson.

NEW CAPTAIN. The Cunard Line has announced that Captain William E. Warwick—seen here on the bridge of the liner Queen Elizabeth—has been appointed Master of their new \$25,000,000 liner (at present known as the Q.4) now being built in Scotland. The Q.4 is expected to be launched in September 1967 and to enter service late in 1968 or early 1969.

Captain Warwick, aged 54, joined the Cunard Line in 1937 as a third officer in the Lancastria. It is thought that he is the youngest captain ever appointed by Cunard to command one of their Queen ships, though he has for some time

been relief captain for the Queen Elizabeth and the Queen Mary. Throughout the second world war Captain Warwick was in the British Royal Navy, and served on corvettes from 1943 to 1945. He saw action in the North Atlantic during the Normandy landings, and on convoys to Russia.

NEWS FROM PETER DAWSON LODGE

We had our first birthday dinner of the year Jan. 25, honoring four of our guests here at the lodge. We sat down to a full-course turkey dinner at noon which was enjoyed by everyone here. In the evening we played bingo, the prizes went to Mr. Smith, Mr. Beabier, Mr. Northcott, Mr. Peters, Mr. Flebotte, Mr. Gatenby, Mrs. Helgeson, Mrs. Salter, Mrs. A. Fath, Mrs. Marshall, Mrs. Sutherland, Mrs. Rodgers, Mrs. Gold, Mr. Gold and Mrs. Fath each won one blackout bingo. We again thank the ladies for coming down every month with the bingo and lunch.

So many took advantage of the good weather Sunday and were away for the day.

Mrs. Barnwell and Mrs. Schmeelke are in the General Hospital in Calgary and a speedy return is wished them.

Mrs. L. Sutherland has been away some two weeks visiting in Milo, Majorville and Calgary.

Rae Graves, one of our staff, is in hospital in Calgary after a recent accident.

Mrs. S. Marsh was a recent visitor at Fort Macleod.

Mrs. M. Eamor is back from hospital much improved.

Mr. and Mrs. Magnuson were recent visitors at the lodge visiting Mrs. Dawson, Mrs. Cotton and Mr. Brotherhood.

Alberta's sheep numbers total only 330,000 and this province is highest among all the provinces in that respect. This nation simply does not go in for sheep raising.

FIGHT FAIR. All set for a face-off at the recent broomball game between the Kinsmen Club of Vulcan and Calgary CKXL and CPA Jets is Don Houlton and a Jet in the toque.

NEW PRESIDENT. Dan McNiven, Jr., above left, is shown as he accepts the gavel of office in the Vulcan and District Fish & Game Association, from retiring president John Andrews. This took place at the Trophy Night of the group held Saturday, Jan. 21.

P. M. Pickersgill, Assistant Editor

LETTERS TO THE EDITOR

Editor, The Advocate.
Dear Sir:

In today's society children are brought up to have respect for authority. We are to have respect for our parents, teachers, our elders and the law.

However, if this feeling of respect is to be genuine and wholesome I believe that it must be founded in the admiration and acceptance of a person's moral judgments and values. True respect should be based on examples of behavior that help to guide and mould our character beneficially.

For example, I carry deep admiration for my parents, teachers and elders. But when the people who enforce our laws use the power of justice entrusted to them to create their own entertainment I find it difficult to respect them.

We have a dog, which we love dearly and have for 15 years. True, he is old and all he does is eat and sleep but he has earned our respect and love and the least we can do is to let him live in peace and comfort.

Last Sunday morning at 2:30 a.m., the dog was let out into the yard for hygienic purposes. While father waited at the back door he noticed lights from the driveway and upon investigating saw the policeman's car driving away and the dog staggering up the stairs in a stupor with a tranquilizer dart in his side.

There is no explainable reason for this action. At 2:30 in the morning dogs are not usually creating disturbances unless they are barking. I can see that during the daytime dogs are a hazard around the schools. Why then is

this problem not solved during the day instead of at night when people's beloved pets go out for a few minutes.

The next day I happened to overhear a conversation in a public place. These two were bragging to some girls of the fun they had seeing this little dog drop and an old one crawling up the steps.

To think that our taxpayers are spending their money for these tranquilizers (which must cost a penny or two). Why don't they spend it setting up a dart board for our young lawman and his companion.

A Student.

to visit Medicine Hat as requested. Mr. and Mrs. P. M. Gallagher and Mr. and Mrs. Charles Rhodes of the Brant School area, interviewed the school committee in respect to an application which had been made by the Roman Catholic Parish in High River to use the Brant School one Saturday per month for religious school purposes. The school committee had considered a letter at its December meeting and had decided that the county policy would not permit the granting of this request. Mrs. Gallagher was the spokesman for the delegation and discussed with the members of the committee the desirability of having the County of Vulcan agree to their request. After discussing the matter from various angles, it was the unanimous opinion of the members of the committee that the county could not agree to granting the request as it would set a precedent which would not be in the best interest of the school system.

Mr. Prater drew attention to a number of items in the construction of the Brant School which needed attention. One was a leaky dome at the front of the hallway of the school, the partition around the toilet bowl in the girls lavatory, and another leak in the skylight. Mr. Burriss pointed out a minor repair to be made in one of the bathrooms at the Arrowwood School and also drew attention to the fact that the fresh air vent had frozen up this season. The secretary-treasurer was instructed to take these matters up with the architects and have them corrected.

It was moved and carried that Mr. O'Reilly be authorized to rent the garage at the tearage at Arrowwood for the sum of \$5.00 per month.

The secretary-treasurer read a letter from Gary Jopling of the County Central High School staff, giving information in respect to a special trip for Boy Scouts later on this year and that it was possible that he might be chosen to act as chaperon on the trip to the northern part of the province. It was quite possible that the trip would take place during the Easter holiday and that no time off would ensue, but in the event that the trip happened during the school day, that permission be granted for Mr. Jopling to be absent. It was moved by Mr. McAlister and carried that the committee authorize Mr. Jopling's absence from school for the purpose of accompanying the Boy Scouts, if necessary.

It was moved and carried that Mrs. Pierson be appointed a part-time teacher at the Champion School.

It was moved and carried that authorization be given to Mr. Bardock to engage lay help as follows: Mrs. D. R. Brown at the Champion School and Mrs. Betty Eamorr at the Hazel Cameron Elementary School.

S. W. Gouldie of the Department of Attorney General, in company with Mr. O'Reilly, interviewed the members of the committee in respect to school bus matters and told the committee that it was the intention to hold a School Bus Drivers Conference in Vulcan on Thursday, Feb. 9, which date would be a school holiday owing to Teachers' Convention. It was proposed to hold an all-day session in the auditorium of County Central High School, where various matters of safety and other items in connection with the operation of school buses could be discussed. It was moved, carried that permission be given to hold the School Bus Drivers Conference in the High School auditorium, and that each bus driver attending the conference be paid the sum of \$5.00, and that the county would assume the cost of supplying the lunch from the cafeteria.

The secretary was instructed to obtain prices on 100 auditorium chairs which might be moved from one school to another in case of large meetings held in various places in the county. It was felt that it was not necessary to provide sufficient chairs for large meetings in every school, owing to the fact that it would be a simple matter to move chairs as needed. Instructions were given to have the matter of radios looked into in the various schools.

Mr. O'Reilly discussed with the committee the advisability of obtaining a 36-passenger bus at once in order that spare buses be maintained at three for the county use. It was noted that Mr. Brown at Arrowwood had discontinued bus service and had sold his bus privately. Mr. O'Reilly was instructed to obtain prices on a 36-passenger bus for consideration at the County Council meeting to be held on Friday, Jan. 13.

The members of the committee also decided to obtain tenders on a paint supply for the county for this season. Mr. O'Reilly discussed the matter of roofing and roofing repair supplies which would be considered at a later meeting.

It was moved and carried that Mr. Bardock be authorized to attend the universities at Calgary and Edmonton in order to enlist the services of teachers who will be graduating at the end of this term.

A request had been made from County Central High School for a safe to be used in the office at the school. Mr. Moses advised the committee that there was an old safe which had been used by the Treasury Branch at Champion which might be obtainable. The secretary was instructed to look into this matter.

Churches Unite In Day of Prayer

When the World Day of Prayer is held on Friday, Feb. 10, 1967, it is expected that Canadian women in more than 3500 communities from Newfoundland to the Yukon will participate. They will use a service prepared by the late Queen Salote of Tonga, a dedicated Christian, who for many years led her own people in this annual observance. As has been customary in recent years, the first of the day's gatherings will be held at dawn in the South Pacific's Tonga Islands, moving westward with the advancing sun until prayers for peace and understanding have literally circled the globe.

Queen Salote chose her theme: "And of His Kingdom there shall be no end." Though some translations and adaptations are necessary to suit local situations, the theme is the same around the world.

In Canada there are services for girls and children in addition to the ones for adults. English and French are the principal languages used in this country though Chinese and Japanese translations are made available as well as the braille copy from the Canadian National Institute for the Blind. Though the Day of Prayer began in the United States as early as 1887 and in Canada in 1895, its spread around the world has been something of a modern miracle. It just seems to have "caught on" like similar movements in a number of countries.

QUEENSTOWN

George McMorris attended the Western Stock Growers Association Convention at Lethbridge last week. Mrs. McMorris and Wendy and Dawna McCord motored to Lethbridge on Wednesday and Mr. McMorris returned home with them.

Mr. and Mrs. Ken Eklund and family were supper guests of Mr. and Mrs. McMorris on Saturday.

Barry Robertson was one of the lucky ticket holders at the AGT meeting in Milo and thus got a free five minute long distance call to anywhere in North America. Barry phoned his sister, Carolyn, who is in the navy at the east coast. Other winners were George Elder, Vic Rushfeldt and Alice Bartsch.

Mrs. Jack Long has returned home from the Bassano hospital. Mrs. Lily Long spent a few days at the Jack Longs helping with household duties. Mrs. Long returned to Calgary on Sunday.

Mrs. Zola Webber, Mrs. Cecilia Webber and Mrs. Helen Thompson accompanied Mrs. Bea McCord at Mr. and Mrs. Wm. Marshall's to a crib party on Saturday evening. Congratulations to Mrs. Thompson who is winning the ladies high.

ENSIGN

Mr. and Mrs. Baden Brown were last weekend visitors at the home of their son-in-law and daughter Mr. and Mrs. Doug Loose at Magrath. All were supper guests at the home of Mr. and Mrs. Ervin Loose on Saturday.

Friends of Phil O'Dwyer were sorry to hear he was admitted to the local hospital last Sunday. A speedy recovery is wished him.

Mrs. Molly Fisher returned home on Thursday of last week after visiting at the home of her daughter Mrs. Bonnie Thompson in Calgary for several days. Her granddaughter Lynn returned with her for the weekend going back back to her home on the dayliner Sunday.

Mr. and Mrs. Clarence Mote returned home last Friday after visiting at the home of their daughter Helen at Orting, Wash. They also visited at the home of Mr. and Mrs. Cliff Anderson, formerly of Calgary, who now reside in Vancouver.

Folks, would you please phone your news items to your correspondent early Monday morning.

Prayer will be observed on Friday, Feb. 10, at 2:00 p.m., in the Bethel Lutheran Church. Chairman of the planning committee is Mrs. Grace Hendrickson and a film strip will also be shown. At Vulcan, the day of prayer will be held at St. Aldhelm's Anglican Church on Friday, Feb. 17, starting at 3:30 p.m. Women of all denominations will participate.

DAY OF PRAYER. The late Queen Salote of the Tonga Islands was the author of the World Day of Prayer service for 1967 using the theme, "Of His Kingdom There Shall Be No End." Queen Salote ruled her independent kingdom for 47 years. The first observance of the World Day of Prayer each year is held in Tonga and the Queen always led her people in this observance.

REPORT FROM PARLIAMENT HILL

Lawrence E. Kendt, M.P. As it appears at the moment, perhaps the most important and far-reaching piece of legislation in many years is Bill C-231, an act to define and implement a national transportation policy for Canada. Railroad abandonment procedure is covered, and a new commission with wide powers has been created to handle regulatory matters concerning railroads, airlines, pipelines and trucking. Before any railroad is abandoned, there must be a public hearing.

This act is voluminous and required our best effort for many

weeks. It was before the House of Commons Committee on Transportation for nearly three months, where over forty amendments were added. It was also on the floor of the House of Commons for about fifteen days. Very little is written up by newspapers on an important piece of legislation like this, because reporters do not know too much about the economic details and they are more inclined to write up something sensational, in order to sell daily newspapers.

Originally, the bill had a clause directing the new commission to make a study of the Crownest Pass freight rates. The purpose back of this was to create a situation for the railroads to obtain government subsidies for hauling grain. The clause was defeated in Committee on the grounds that the railroads were given land along the right-of-ways and mineral rights for a contract in perpetuity to haul grain at rates set under the Crownest Pass agreement. Costs have lowered for the railroads—instead of a crew handling 15 or 20 cars, the same crew now transports 100 loaded cars, and so costs must be lower, but figures obtained from other railroads are not reliable as a basis for paying subsidies.

There are many things in the new act that I do not like; but it was the best compromise we were able to obtain for the people of Canada, and, in particular, for the farmers of Western Canada.

BENCH STRENGTH. Even such athletes as these pictured above failed to upset the Calgary CKXL and CPA Jets who defeated the

Kinsmen Club of Vulcan 4-2 at broomball recently. Front row from the left are Bob Petrosky, Ken Gatenby, Mel Jordan, Cleo

Schmidt, Ray Bagozzi. Back row: Amond Hyslop, Doug Maisey and Bill Hilz.

— OPEN HOUSE —

An old time couple of the Lomond district, now living in Carstairs, Alta., Mr. and Mrs. Jerome Durand, wish to announce that they will be holding open house in the Carstairs Hall on Sunday, Feb. 19, 1967 to all their friends from 2-6 p.m., the occasion being their 50th wedding anniversary. Everyone is invited to come. No presents, please.

—Mr. and Mrs. Jerome Durand.
27-1x

Mrs. Opal Drummond of Calgary was a guest last week at the home of her son and daughter-in-law, Mr. and Mrs. Burnell Drummond.

Sunday guests of Mr. and Mrs. Boyd McKay were Mr. and Mrs. A. Hopkins of Calgary. Mrs. A. Hopkins, the former Mrs. Ida Clark, will be remembered by friends in Vulcan and district.

Mr. and Mrs. Errol Parslow of Calgary were weekend visitors at the homes of Robert Parslow and Mrs. Richard Parslow.

BRIEF ITEMS OF LOCAL INTEREST

Mr. and Mrs. O. Webb have taken up residence in their newly completed house.

A. Husby, Vulcan High School principal is presently at the General Hospital in Calgary, where he is undergoing treatment.

Mr. and Mrs. Bob Schmidt and boys of Calgary were Sunday visitors at the home of Mr. and Mrs. E. Schmidt.

Friends of Mrs. Horst Thiering will be sorry to learn that she was admitted to the local hospital on Tuesday.

The teachers of the County of Vulcan are attending the A.T.A. Convention in Calgary the latter part of the week.

Mrs. Lloyd Iles and boys of Stettler and Betty Ann Northcott of Calgary were weekend guests at the Northcott home.

Friends of Mr. and Mrs. Harry Peters will be sorry to learn of the recent death of their infant grandson, little Tommy Klembeitz of Olds, son of Ernie and Linda.

Charlie Klembeitz of B.C., was a weekend visitor at the George Klembeitz home.

Marla, young daughter of Mr. and Mrs. Wally Franks, is a patient at the local hospital this week, where she underwent surgery.

Friends of Mrs. Joe Beatty will be sorry to learn that she underwent major surgery at the Vulcan hospital last week.

Mrs. George Sandberg was a visitor on Monday.

Gary Lundgren, who is attending University at Edmonton this year, spent the weekend at the home of his parents, Mr. and Mrs. R. Lundgren.

The annual meeting of St. Aldhelm's Anglican church was held Sunday afternoon, Jan. 29 and was chaired by the Rev. E. W. Clarke. After the general business was dealt with election of officers for the coming year was held. Norman Hiltz was named People's Warden and those elected to the Vestry were Pete Schuler, C. Ottewill, W. Babuk, Mr. and Mrs. Robert Todd, Mrs. Florence Fitzpatrick, Mrs. Romona Pickersgill and Mrs. Carrie Graham. Mr. Babuk was asked to serve again as secretary and Mr. Clarke appointed Brian Todd as Rector's Warden. Brian is also the Wheatbelt Mission secretary. The ladies of the guild served refreshments.
